NECESSARY INFORMATION REGARDING SUMMER SCHOOL

Students can apply for the summer school within the specified dates above via <https://ois.topkapi.edu.tr/>

As it will be decided whether a course will be opened or not based on the number of the students who apply for that specific course, it is important that students complete the course selection and payment procedures within the specified dates.

Students who have applied for a Associate's Degree, Bachelor's Degree or Graduate School course within the scope of summer school will be able to get a full refund if the course(s) they have applied for are not opened. In that case those students need to write a petition and give it to the Department of Financial Affairs.

STEPS TO BE FOLLOWED WHILE APPLYING

1ST STEP – SELECTING THE COURSES YOU WOULD LIKE TO BE OPENED AFTER YOU LOG INTO THE SYSTEM

Please log in to the student information system via <https://ois.topkapi.edu.tr/> by entering your username and password.

(If you have forgotten your password, you can reset your password via your mobile phone number.)
